

Title: A Selfish Attitude

Text: Lk. 1-5

Challenge: Is a self-righteous attitude something you need to deal with?

A self-righteous attitude...

### **I. CAN BLIND A PERSON FROM SEEING HIS OWN SPIRITUAL CONDITION AND NEED**

It was the self-righteous attitude of the Pharisees

That blinded them from seeing their need of repentance.  
( II Pet. 3:9)

### **II. CAN CAUSE A PERSON TO MAKE ONE OF THE WORST MISTAKES HE COULD EVER MAKE**

It was the self-righteous attitude of the Pharisees

That caused them to look down upon others and conclude that they  
were better than others.  
(Ro. 3:10,23)

### **III. CAN RESULT IN A PERSON BEING LOST ALTHOUGH HE MAY BE VERY RELIGIOUS**

It was the self-righteous attitude of the Pharisees

That led them to trust in their works.  
(Isa. 64:6)

### **IV. CAN HINDER A PERSON WHO IS SAVED FROM BEING USED OF THE LORD**

It is the self-righteous attitude of some people

That separates them from others and causes them to sin against the brethren.  
(Ro. 12:9)
