

***A Personal Checklist to Help
Me and My Church To Grow***

- 1. Carry gospel tracts and pass out at least one tract to someone each day*** (consider: co-workers, store clerks, and all the other people you meet in the course of a day).
- 2. Read at least one chapter of God's Word each day and have prayer*** (Suggestion: choose a short book and put on your "specs" considering sins to be avoided, promises to claim, examples to follow, commands to obey, and particular Scriptures to meditate on).
- 3. Invite someone to church services each week*** (suggestion: personally invite or call family members, friends, co-workers, neighbors, and share the special events or activities that your church is having).
- 4. Set a good example for others to follow by being faithful in church unless you are sick, having to work, or providentially hindered in some way*** (consider: God blesses faithfulness and honors those who honor Him).
